

Boca Highland, It's time to get started!

**Register for services and
pick your installation date.**

It is time to register for your installation appointment with a Blue Stream Fiber Representative. This is required in order to set up your Internet and TV service and select an installation date. You can also learn more about the services and upgrade packages tailored to your community!

Starting April 30th you can begin calling.

Please call during on allotted date to ensure a great experience for all residents.

Dedicated Community Number:

561-264-2889

Mon. - Fri., 9 AM - 5 PM

We are thrilled to be welcoming you as a customer and can't wait to provide you with our world-class Blue Stream Fiber services!
